***The Levitating Priest***

**Patron Saint of  
Aviators and Test Takers**

**Feast Day: September 18**

## **Prayer Before Taking a Test**

St. Joseph of Cupertino,  
patron saint of test takers,  
by your prayer you obtained from  
God only the propositions for  
examination you knew; grant that I  
may, like you, obtain this favor in  
the \_\_\_\_\_ test I am about to  
take. In return I promise to spread  
your devotion. Through Christ our  
Lord. Amen.

## **Pilot's Prayer**

St. Joseph of Cupertino,  
patron of those who fly,  
grant me wisdom in the sky,  
guard my passengers by and by,  
and pray for me when I die.
